

Everyone has had at least one girlfriend or boyfriend at one point in time. We all know that people have different characteristics when it comes to relationships and how we should act in them. Sometimes there are bad boyfriends, but other times there are great ones. The perfect boyfriend is one who is a best friend, who is loving, and who is loyal all the time.

or (All boys)
- not both

First of all, the term boyfriend itself is easily understood. He is a boy that is a friend, but in this case the word means more than just that. The perfect boyfriend is not only a friend but he is ^{also} a best friend. This means that he is always there when a ^{girl} person needs to talk, he is fun to spend time with, and any secrets can be told to him in privacy. From my experience, having a boyfriend as a best friend also makes the relationship more open and enjoyable. It helps to make situations more comfortable. My boyfriend, Pierce, is definitely my best friend. We hang out together every single day just like best friends do. Also, we can talk about anything to each other and help each other out. ^{for inst.}

Boyfriends, along with being best friends, must be loving. By loving, I mean that they are always kind and never hurtful. There are different ways to express love though. They can show love by their actions, the things they say, or the things they do for their girlfriend? Loving boyfriends make their girlfriends feel warm and happy around them.

True love will also make the relationship last longer. My boyfriend is always loving. The one day he surprised me with a red rose. I know that that can be romantic and original, but it shows me that he loves me. He also lets me know everyday when he says, "I love you."

A perfect boyfriend displays friendship and love, but most importantly he has to be loyal. Loyalty can mean that a person would never hurt a friend or do anything to put the friendship in danger. In this case, though, loyalty means staying true to the girlfriend. A perfect boyfriend would never cheat on his girlfriend or even process the thought of doing so. At times, it can be hard to tell if a boyfriend is cheating on his girlfriend, but that is where trust comes in. In order to have loyalty, there must be trust first. I trust my boyfriend and know that he would never cheat on me. He tells me that he would never even look at another girl, and I know this to be true. ^{— good friends.} He is loyal to our relationship.

In conclusion, perfect boyfriends have three main characteristics. There are other ways to define boyfriends, but these traits are for a perfect one. ^{Girls/women} People need to look at these characteristics and decide if a guy has them. If he does, then we will most definitely be a perfect boyfriend. So never forget that a perfect boyfriend is a best friend, is loving, and is loyal no matter what.
